

As a favorable method for continuing our TAP program at St. Jude Catholic School, we are asking parents, friends, and supporters of our school to participate in the Meijer Community Rewards Program. By filling out the application for this card at Meijer stores or online at www.meijer.com, supportive funding from Meijer will be allocated to our school to sustain our program.

When you fill out the application, please use the designated school number, 154340. We, at St. Jude Catholic School, encourage you to use this method. Many people shop at Meijer so all you need to do is produce your guest card at time of purchase, and St. Jude Catholic School will receive the supportive funding from Meijer.
