Easter Egg Hunt Sunday

Second Collection This weekend

We have a second collection this weekend for St. Vincent de Paul. Thanks to your contributions, during the past three months we were able to help 54 families in our Parish with either food, clothing, beds, furniture, rent or utilities. Unfortunately, due to lack of funds, we had to deny 35 requests. Please help us to meet the needs of all our Parish Neighbors by contributing generously to this weekend's Special Collection.

We have a parishioner who needs transportation assistance in getting to Mass. Lives near Lutheran High School. Contact [Patti Collins](#) for further information, or to help

Last Week's Poll Responses

With Artemis II scheduled to land tonight around 8 pm, most of us have been dazzled by the mission's progress. **Artemis II launched Wednesday and is headed to the far side of the Moon, my thoughts: Fascinated. What an awesome thing, we're going back to the moon!** The pictures looking back at the Earth from the far side of the moon were really something.

- 1** Fascinated. What an awesome thing, we're going back to the moon!...58.0%
- 2** Not following it close, but it's neat...31.0%
- 3T** How do I never know about these things until I read it in the Poll Question?...3.0%
- 3T** Well about time we go to the moon, since we didn't actually go the first time...3.0%

5T Been there, done that...2.0%

5T What a waste of money, leave space to Luke Skywalker...2.0%

This Week's Poll Question

The Masters is this weekend. If I played a round at Augusta National how would I do?

Pfft I saw them on tv, doesn't look that hard

Based on nothing: Alright

Oh I could break 100.

I could also break 100...swear words on the front nine as I shank every shot

Poorly but would enjoy every second of it

I would threaten the record for the highest score ever scored

They'd see me take one swing and escort me off the property
